VERY IMPORTANT ANNOUNCER INFORMATION – OPEN CLASS EXHIBITORS

Our announcer would like pass along information about you, your drivers, horses/mules or vehicles. This makes the show much more interesting for spectators who come to watch draft animals and their handlers in action. For some folks this show is a trip back in time to their Dad's or Grandpa's farm. For others it could be the first time they have ever seen draft animals and they are keen to learn about the exhibitors and their animals.

DRIVERS (Tell us about any businesses in which you use your horses, how long have you been driving, what other things do you do with your horses/mules, etc.?)
HORSES/MULES (what breed are the horses/mules, average weight, height, age, other interesting info??)
VEHICLES/HARNESS/EQUIPMENT YOU ARE USING (is there anything special about the vehicle/harness/equipment – is it restored and if so, how old is it; is it new or a replica – if so, what features does it have that the old vehicle wouldn't have; what was the vehicle used for, etc?)
HOW DID YOU GET TO EXPO? (Trailers, trucks with # of horses, what other equipment do you bring?)
HOW MANY PEOPLE MAKE UP YOUR SHOW CREW?
