

PRECISION DRIVING WITH CONTROLLED SPEED

The objective of this event is to drive a team through and around obstacles simulating driving through a town to make a delivery on time and safely. One safety assistant will accompany the driver. The Show will provide identical wagons. The course may include, but is not limited to, such obstacles serpentine course of pylons, complete circles to left and/or right, an alleyway, a simulated loading dock to back up to, and precise stopping. Accuracy is most important, with time being used only as a tie-breaker. Time in the course area is restricted to THREE (3) minutes. The function of the safety assistant is to ride on the wagon and come to the aid of the driver only if an emergency should arise. Should the assistant touch the lines or in any way speak or signal the driver or team, the driver will be disqualified in the event. Teams are to negotiate the course as quickly as possible without breaking out of a working/extended trot. Walking is considered a break in gait. Loping is not allowed. **NOTE: This class is one of the four designated as a Master Teamster class. It may be entered as an individual Open Class or as part of the Master Teamster.**
