Welcome to the 25TH Annual Big Sky Draft Horse Expo

This show is designed to support the draft horse industry, the driving of horses and to create a fun, entertaining and educational event in Montana. The classes are arranged to offer the spectators a variety of activities each day and to make the show flow as smoothly as possible for the exhibitors. The show features draft horse breeds and welcomes mules and light driving horses to enter the OPEN classes.

This year the EXPO will once again feature Bluegrass Music. The music will take place immediately following each evening performance. We invite our exhibitors and their crews and families to attend these very fun and entertaining performances. On Sunday there will be a Bluegrass Gospel Hour at 11:30AM during the lunch break. The BREAK OUT BLUEGRASS FESTIVAL was held in Deer Lodge for many years and it is time for its return.

Expo will once again be offering Draft Horse 101 on Saturday to help our spectators become more familiar with the Drafts and the driving equipment. There will again be a variety of businesses offering some great opportunities to pick up a souvenir of the show, various services and some great food. The Expo Official Merchandise will be sold there as well. These vendors will be located under the grandstand and outside of the grandstand. Of course the Old Prison Museums and the Grant-Kohrs Ranch National Historic Site will be providing some additional activities and tours. More information on these will be available online and in the Exhibitor Packets.

Reminder: Go to the web site www.drafthorseexpo for more details about the show. You will find patterns, entry forms, schedules and lots of other important information along with some great photos.
