

CANADIAN MAZE 1 & 2

1. Course is a CROSS of cones set 15 feet apart in all directions.
2. Object of the event is to enter and exit each arm of the cross once. (or, the object of the event is to travel each arm of the cross twice—once going toward the center of the cross, once exiting the cross.)
3. Event is timed.
4. Contestant who fails to enter and exit each leg of the cross once—or who enters or exits any leg of the cross more than once—is disqualified.
5. Contestant must enter the maze via the designated start point and complete the maze by exiting through the designated finish point.
6. Disturbing Cone = 1 Fault. Each Fault adds 10 seconds to time.

Equipment:

14 Cones
12 for pattern
2 for start/finish
